Ideal for rooms up to 160 m² - UV-C air purifier for simple and effective disinfection

Our UVG360 air disinfection unit is mainly suitable for larger rooms, whether it is a storage room or a full waiting area. The size and nature of the device requires high ceilings and a suitable environment. UVG360 UV air purifier is mounted on the ceiling and provides clean and disinfected indoor air.

Dinies UV-C technology is chemical free, low maintenance and disinfects the room air by up to 99.9%!
