

- ✓ Disinfection up to 99.9%
- ✓ No chemicals
- ✓ Environmentally friendly
- ✓ High quality
- ✓ Safe for humans, animals and plants
- ✓ Wall and stand mount included

Recommended for rooms up to 40 m² - UV light as a simple and effective disinfection method

The UVG80 is the Dinies bestseller - the flexible unit can be mounted on walls and ceilings or easily placed on its own with the included stand. With a sound level of < 35 dB, the air purifier is quiet and suitable for offices, medical practices, schools and generally everywhere where a good indoor climate is desired.

The UVG80 air purifier fits with its simple design to any interior and disinfects the air continuously and in a natural way.
